

TOUR BUS PROGRAM

Effective October 1, 2020

We look forward to the opportunity to work with you. It's a team effort that results in success for tour operators and Potawatomi Carter Casino Hotel.

Keeping Carter Safe

As we all navigate through the global pandemic, all tour operators must be proactive with the guests who participate in this program to visit Potawatomi Carter Casino Hotel. It is highly encouraged that tour operators require masks, conduct temperature checks, and maintain social distancing in the bus. Upon arrival, all guests will have temperature checks and be required to wear a mask to enter. If any guest on the bus has a temperature exceeding 100.4°F, the entire group will not be allowed to enter.

Day Trips

Day trips consist of at least a four hour stay. Bus guests can receive the Potawatomi Play bonus that is calculated using the chart below from the base points earned from their previous bus trip. Only guests arriving as part of a bus group can qualify for the Potawatomi Play Bonus.

Point Range	Bonus
250 - 499	\$5
500 - 999	\$10
1,000 - 2,499	\$20
2,500 - 4,999	\$50

Overnight Trips

Overnight bus trips consist of at least a four hour stay each day. Tour operators booking an overnight bus trip will receive a discounted hotel rate. The room rate is \$99 per standard room plus tax, double occupancy. Hotel rates are subject to change.

Bus guests can qualify for the Potawatomi Play bonus on the first day of the overnight trip. The bonus is calculated using the chart above from the base points earned from their previous bus trip. Bus guests can qualify for a second Potawatomi Play bonus on the second day of the overnight trip. That bonus is based on the previous day's play.

Hotel check-in is after 4 p.m. Hotel check-out is before 9:00 a.m.

Tour Operator Incentive

The tour operator receives 30% of the net recorded gaming activity of all manifested guests' play during the day trip. For an overnight trip, the tour operator receives 30% of the net recorded gaming activity for both days. All bus groups must have a minimum of ten (10) or more guests for tour operators to receive the incentive.
